This program prepares students for beginning generalist professional practice in social work at the baccalaureate level and has been granted full accreditation by the Council on Social Work Education (CSWE). All students are expected to abide by the Code of Ethics of the National Association of Social Workers.

No academic credit toward field experience or coursework is given based on previous work or life experience. Students are required to successfully complete 450 hours of supervised field practicum in agencies approved by the Department of Social Work. The Department of Social Work will make reasonable efforts to work with a student to secure an appropriate field placement, but it does not guarantee a placement. The social work program does *not* offer all of the required courses during the evening hours, so students should meet with their academic advisor to develop a plan to complete coursework for the degree. Field placements generally require availability during regular daytime hours.

Admissions & Policies

Admissions

Admission Requirements

To be admitted to the BSW program, a student must have

- completed at least 45 credits with an overall GPA of 2.50 or higher;
- completed or be registered in:

Code	Title	Credits
BIOL 103	Introductory Biology II-Survey of Cell and Molecular Biology (Mason Core) (http://catalog.gmu.edu/mason-core/)	3
ENGL 101	Composition (Mason Core) (http://catalog.gmu.edu/mason-core/)	3

And at least two of the following courses:

SOCW 311	Building Professional Social Work Skills	3
SOCW 312	Knowledge Building for Helping Professionals	3

SOCW 375	Human Behavior and the Family Life Course (Mason Core) (http://catalog.gmu.edu/mason-core/)	3
SOCW 380	Changing Social Policies and Systems	3
SOCW 390	Analytic Methods for Social Work Research	3

- be enrolled in all other required 300-level SOCW courses; and
- submitted an application for the social work major and the senior field practicum by the deadline stated on the BSW admissions website (<https://socialwork.gmu.edu/admissions/undergraduate-admissions/>).

The student's application for admission to the BSW program is reviewed for action by social work faculty members. A personal interview may be required.

Students who have not met all criteria for admission to the major by the summer prior to starting the program's senior-level curriculum will not be considered for admission until the next academic year.

Policies

For policies governing all undergraduate degrees, see AP.5 Undergraduate Policies (<http://catalog.gmu.edu/policies/academic/undergraduate-policies/>).

Program Requirements

To earn a bachelor's degree in social work, students must earn a grade of C or above in all Social Work classes applied to the major and must achieve a GPA of 2.50 overall. Class attendance is required in all Social Work courses. Before beginning SOCW 495 Field Practicum and Seminar I, students must successfully complete all required 200- and 300-level courses with a grade of C or above. Students may not take a social work course when earning a grade of less than C in any other social work courses that serve as a prerequisite.

The Social Work faculty evaluates student performance periodically and may require students to withdraw from the program when, in their judgment, performance is not satisfactory. The decision is based on the quality of academic and field performance, and issues with professional standards and behavior. Students have the right to appeal.

A student with a criminal history may find it difficult to obtain a field placement or employment in a human service agency depending on the specific charge. It is possible that a student with a criminal background may not be able to be placed in a field practicum or complete their degree program. The Criminal Background Policy is available on the Social Work Department website (<https://socialwork.gmu.edu/>).

Immunization and Fees

All students who are enrolled in a course that requires a field placement (SOCW 495 Field Practicum and Seminar I and SOCW 496 Field Practicum and Seminar II) must have an annual tuberculosis screening (PPD). In addition, students must complete the entire hepatitis B immunization series in accordance with current U.S. Public Health Service recommendations. The cost of immunizations is the responsibility of the student. The majority of agencies used for field placements require fingerprinting, a criminal background check (may be more extensive than the university requirement), and a child

protective services check. Any cost related to these requirements is the responsibility of the student.

Writing Intensive Requirement

The university requires all students to complete at least one course designated "writing intensive" in the 300 level or above. Students majoring in social work fulfill this requirement by successfully completing SOCW 471 Research in Social Work.

Six credits must be in social work (<http://catalog.gmu.edu/courses/socw/>) at the 400- or 500-level, not including courses listed above; SOCW 499 Independent Study in Social Work may be used to satisfy an additional 1 to 3 credits toward general electives.

Notes

SOCW 357 Methods of Social Work Intervention I and SOCW 361 Methods of Social Work Intervention I: Laboratory (only offered in the fall semester) are prerequisites to SOCW 358 Methods of Social Work Intervention II and SOCW 362 Methods of Social Work Intervention II: Laboratory (only offered in the spring semester). Graduation may be delayed if courses are not taken in proper sequence.

Selected Social Work electives are offered each semester on a rotating basis.
